Principles and Procedure of Selecting Directors, Audit Directors and Independent Directors

Since the Company's Nominating Committee has not been appointed, the Company's Board of Directors, therefore, has considered the qualifications of the directors with regard to experiences, expertise from various professions as well as performance in the capacity of a director of the Company in the past years. The selection procedures will be in accordance with the Company's regulations and Articles of Association pursuant to the following guidelines:

1. The Board of Directors consists of at least 5 persons of which at least half (1/2) must have permanent residence in Thailand.

2. The shareholder meeting shall elect directors in accordance with the following rules and procedures:
 - a. One shareholder has votes in a number equal to number of shares he/she holds for voting one (1) director.
 - b. Each shareholder may use all his/her votes under (a) to elect one person or several persons as the directors but cannot allot the votes to any person in any number.
 - c. Persons who receive highest votes arranged in order from higher to lower in a number equal to that of directors to be appointed are elected directors of the Company. In the event of a tie at a lower place, which would make the number of directors greater than that required, the Chairman shall have additional one (1) vote as a casting vote.

3. Each Director shall have the qualifications as follows:
 - a. Not engaged in a business or occupation which has the conflict of interest with the Company's line of business.
 - b. Be qualified in accordance with the regulations of the Office of the SEC.

4. Selection of Independent Directors: Shareholders of the Company will elect at least 3 directors who have freedom to perform the duty of Independent Directors. For selection criteria, the Board of Directors will consider the qualifications of the person to be the Independent Director taking into account the qualifications and prohibited characteristics of directors in accordance with the Public Limited Company Act and the laws governing securities and security exchange.

5. Selection of Audit Directors:

The Board of Directors will appoint at least 3 persons to be the Audit Auditor by considering from the Independent Directors who are qualified under the law governing securities and security exchange including relevant notifications, rules and/or regulations of the Stock Exchange of Thailand in regard to the qualifications and scope of duties of the Audit Committee. However, at least 1 Audit Director must possess the knowledge of accounting and finance.
